Hay quien se desvanece ante una resaca
como un pedazo de gelatina roja en las
mandíbulas de un perro rabioso.

El meso mismo **Rincón de P...**
es así: usted agarra la escopeta
y le pega al perro,
el perro gruñe, usted le
patata las costillas.

como nieve cuando
el perro llora y
usted grita muy fuerte
para tapar sus
oídos.

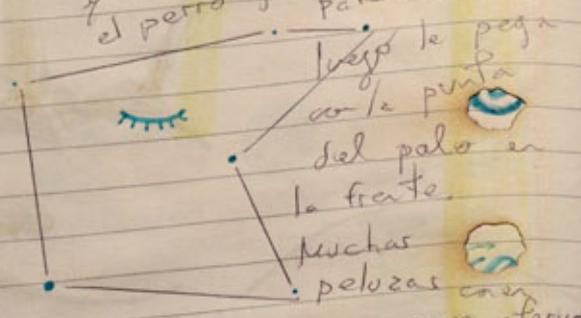

Muerto el perro

Hay quien se desveneca así una vez
como un pedazo de gelatina royal en las
mandíbulas de un perro rabioso.

El neca niso **Rincón de Poesía**

es así:
usted agarra la
y le pega al perro, le
el perro gruñe, usted
patas las costillas;

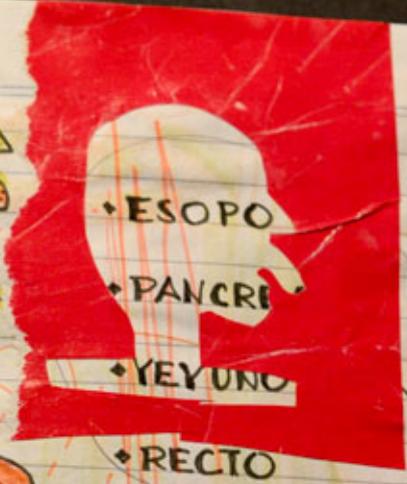

luego le pega
con la punta
del palo en
la frente.

Muchas
pelotas
como nieve eferviente
el perro llora y gruñe
usted grita muy fuerte
para tapar sus
aullidos.

El tutado de la conciencia empuja así: uno pone las letras una tras de la otra sin equivocarse, son los nombres que escrito está. Pero si se pasa algo inesperado, como uno de la máscara, máscara! la careta se hía se (ay base no hacia la base escribe ahe así sin la careta les decía, de super hía se con blancos de ambición celestial. Pero que tantos obstáculos, estas realistas al margen, estos escollos (puta, quise poner "escollos", ahora sí), decía sí, decía estos escollos en el camino del super hía se.
